

RELY

RADIOLOGYSM

The leading national provider of teleradiology services specializing in interpretation of X-rays, Ultrasounds, MRIs, CTs, Echocardiograms and EKG's. Through our affiliation with **TridentCare**, we offer:

- ⇒ Service availability 24/7, 365 days a year
- ⇒ A national network of more than 80 board-certified Radiologists and Cardiologists
- ⇒ Certified B-Reading Interpretations
- ⇒ Dicom and XML Interfaces
- ⇒ Better than industry average STAT and Routine turnaround times, with immediate attention given to Critical Results

Rely Radiology earned The Joint Commissions' Gold Seal Approval for Ambulatory Health Care Accreditation by demonstrating continuous compliance with its nationally recognized standards and for its ongoing commitment to providing safe and effective patient care.
